(more important questions on the back!)

We want to be intentional in equipping and praying for you and your students this year as you parent in an ever changing culture. The more open you are the better we can do so. These responses will remain confidential and will only be used by the leadership for the purposes of prayer and giving priority to the types of resources we hope to equip you with as parents.

1) What topic(s) / situations would you like to be better equipped to handle as a parent?

2) In format would you be most likely access parenting materials (rank in order, 5 most likely)
