0: God really doesn't matter in my life

2 ½: God helps out when I need him, but otherwise life just goes on

5: it's okay, we talk on and off

7 ½: I feel personally close with Him: Though our relationship isn't perfect, I keep seeing His love changing my life and the lives of those around me through me

10: It is perfect! (also known as being dead & with Jesus in heaven ☺ )
