

Agreement to Adhere to GREFC Policies in COVID-19 Preparedness Plan

All people who agree to volunteer at GREFC are required to attend training and read the GREFC COVID-19 Preparedness Plan (Plan). By signing this Agreement, volunteers agree to come under the leadership of GREFC and adhere to all the guidelines, procedures and policies set forth in the Plan and in training.

I have read the GREFC COVID-19 Preparedness Plan and have been trained in compliance regarding my area of service.

I agree to comply with the guidelines set forth in the GREFC COVID-19 Preparedness Plan and in the training I received.

I understand that by serving as a volunteer I am putting myself at risk for possibly contracting COVID-19 and that if I am unknowingly infected, I could be putting others at risk.
