

Corporate Ministry Organization

** Disciples Working Together to Fulfill the Mission **

Executive Board The Executive Board provides organizational support for the church ministries through maintenance and development of these specific areas:

- | | |
|-----------------------------------------|---------------------------------------------------|
| Church Government
Records & Finances | Budget & Goal Setting
Facilitates & Properties |
|-----------------------------------------|---------------------------------------------------|

Elder Board The Elder Board seeks to promote maturity and ministry by stimulating our vision and direction. They guide by example and instruction; they also lead by means of prayer. The Elder Board works in these specific areas:

- | | |
|----------------------------------------------------------|-----------------------------------------------------------------------------|
| Spiritual Leadership
Guidance & Council
Protection | Pulpit Supply
Prayer & Visitation
Evaluation & Training of Leadership |
|----------------------------------------------------------|-----------------------------------------------------------------------------|

Ministry Leaders Ministry Leaders coordinate and participate in a specific ministry area; they are responsible for these tasks:

- | | |
|-------------------------------------------------|------------------------------------------|
| Goal Setting & Budget
Objectives & Standards | Evaluation & Supervision
Set Policies |
| Recruitment & Supervision | |
