- The Bible reveals who God is.

Transform

- God’s Word can change something painful into something strong.
- God’s Word can change something undesirable into something beautiful.
- God’s Word is sharp, strong and penetrating.

Equip

- Life is better if we are prepared for it.
- God’s Word doesn’t make life easy, it makes life understandable.
- God’s Word can help us respond to the narrow twists and turns of the narrow path.

We need to make sure that we aren’t paying a lot of attention to:

- Knowing about God and not enough attention to knowing God.
- Knowing about what God did and not enough attention to knowing what He’s asked us to do.

Relationship requires engagement:
